## **Project Description**

**Principal's Priority** 

4

Purchase additional chairs to upgrade furniture.

## **Benefits if Project is Funded**

Increase the opportunity for the instructional use of the library. Currently we have a small library with a limited number of materials. Provide increased opportunity for teachers to access research materials for class projects and assignments. Directly impacts core curricular classes as well as the opportunity for research and writing skills development. Increases the opportunity for Stellar students to access on-line instruction and complete research projects.

## **Impacts if Project is not Funded**

Without this project, students have limited seating in the library's study area and at he computer terminals. If they are comfortably seated, they would spend more time working in the library.
